Purpose

This Policy provides for the management of Eurobodalla Shire Council's parks and reserves facilities, including playgrounds and skateparks. Council has a duty of care to take reasonable measures within budget limitations to manage the risks arising from defects on Council's parks and reserves facilities. Pathways within reserves are covered by the *Pathways Risk Management Policy*. Signs as remote supervision are covered by the *Signs as Remote Supervision Policy*.

Section 42 of the *Civil Liability Act 2002* makes allowance for Council's ability to carry out its duty of care as being limited by the financial and other resources which are reasonably available to exercise its functions. To rely on this defence, Council is required to show evidence of its compliance with the general procedures and applicable standards for the exercise of its functions, such as risk management of its parks and reserves facilities.

Policy aims

- Promote an integrated framework for dealing with the appropriate management of Council's parks, reserves facilities and skateparks and take reasonable steps to ensure that Council delivers its required duty of care.
- Ensure consistency and fairness in the manner in which the Council manages the risks arising from defects on Council's parks and reserves facilities.
- Ensure compliance with legislative requirements under the *Local Government Act 1993* and the *Civil Liability Act 2002*.
- Promote awareness of the requirements of the *Civil Liability Act 2002*, with respect to acceptance by the community and the Court, of the shared duty of care for parks and reserves users to take reasonable care for their own safety when using these facilities. Council promotes awareness as set out in the *Signs as Remote Supervision Policy* and Code of Practice.
- Make Council's policies and requirements for Parks and Reserves Facilities Risk Management readily accessible and understandable to the public.

Policy details

1	Application This Policy applies to all parks and reserves facilities, including playgrounds and skateparks, under the care and control of Eurobodalla Shire Council.
2	Legislation Eurobodalla Shire Council will comply with the <i>Local Government Act 1993</i> and the <i>Civil Liability Act 2002</i> .
3	Duty of Care It is accepted that the removal of all risk is not practically achievable. The systems implemented by Council will be based on prioritising works within the limited budgets available to Council. The implementation of a systematic approach to managing the risk arising from defects on Council controlled parks and reserve facilities provides for better management of reserve assets, reduces the risk to the community, minimises the cost of public liability insurance premiums Council pays to protect the community's interest, and assists in providing a legal defence where claims are made against Council.
4	Financial and Other Resources Council will establish an annual budget for the maintenance and renewal of its parks and reserves facilities, taking account of the changing extent and type of assets provided.
